

POSITION: MULTIMEDIA CONTENT PRODUCER

About The Community Media Center

The Community Media Center of Carroll County (CMC) is a non-profit community media access center serving Carroll County and the surrounding area. The mission of Community Media Center is to provide innovative digital technologies and content to inform, engage and connect the many voices and interests of our communities. Founded in 1989, the CMC is a nationally recognized Community Media Center focusing on access to media and technology and the creation of local content on cable and digital media platforms. The CMC offers an array of services including outreach, training, production facilitation, production/creative and digital distribution. Our primary objective is to increase the amount of local content by, for and about the Central Maryland region.

CMC is an equal opportunity employer that is committed to diversity and inclusion in the workplace. We prohibit discrimination and harassment of any kind based on race, color, sex, religion, sexual orientation, national origin, disability, genetic information, pregnancy, or any other protected characteristic as outlined by federal, state, or local laws. This policy applies to all employment practices within our organization, including hiring, recruiting, promotion, termination, layoff, recall, leave of absence, compensation, benefits, training, and apprenticeship. CMC makes hiring decisions based solely on qualifications, merit, and business needs.
